[OUR STORY](#)

**With A Humble Beginning, We Are  
Committed To Crafting Excellence**

The origin of Speedy Concrete can be traced to Richmond, BC, where a group of qualified concrete experts shared a vision for excellence in the industry. We are founded on the principles of quality, innovation, and integrity. At Speedy Concrete, we are determined to redefine standards and exceed expectations.

Speedy Concrete was founded in 2023. In the initial days, challenges were quite abundant—securing resources, building a strong foundation, and establishing a foothold in the competitive market. However, the team, fueled by passion and perseverance, leveraged every obstacle as an opportunity for growth.

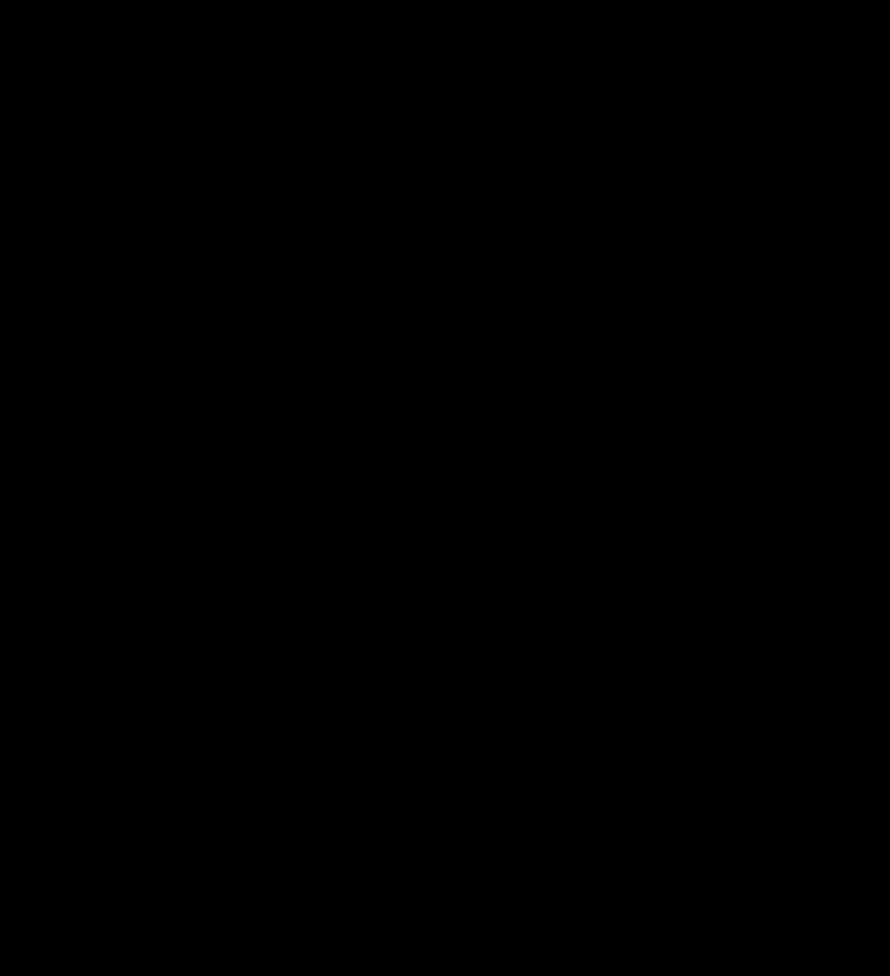

**From Beginning To Present Day  
Stature!**

We remain dedicated to building a legacy of trust and reliability. Providing unparalleled quality is the reason we are leading the concrete industry in Richmond, BC. We are expanding beyond Surrey to serve our clients across British Columbia. We are trusted concrete contractors in Richmond, Vancouver, Delta, and Surrey.

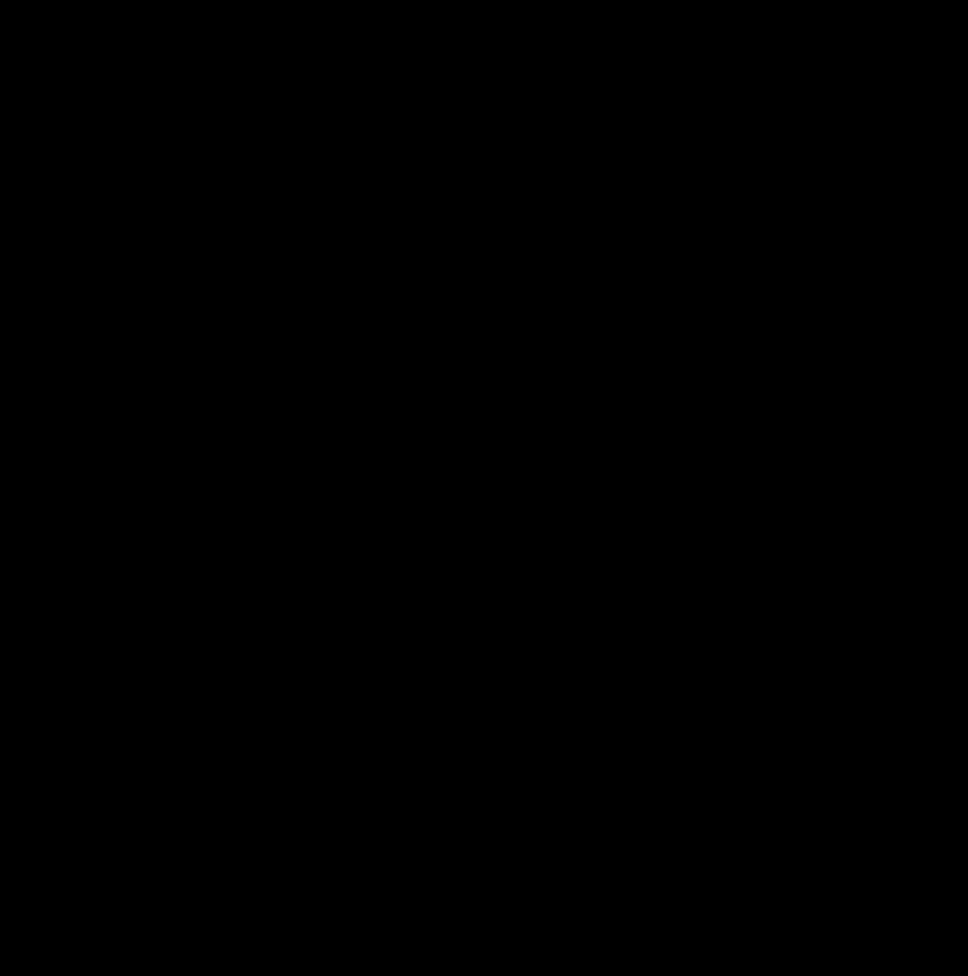

[WHY CHOOSE US](#)

# Comprehensive Range To Cater To Diverse Needs

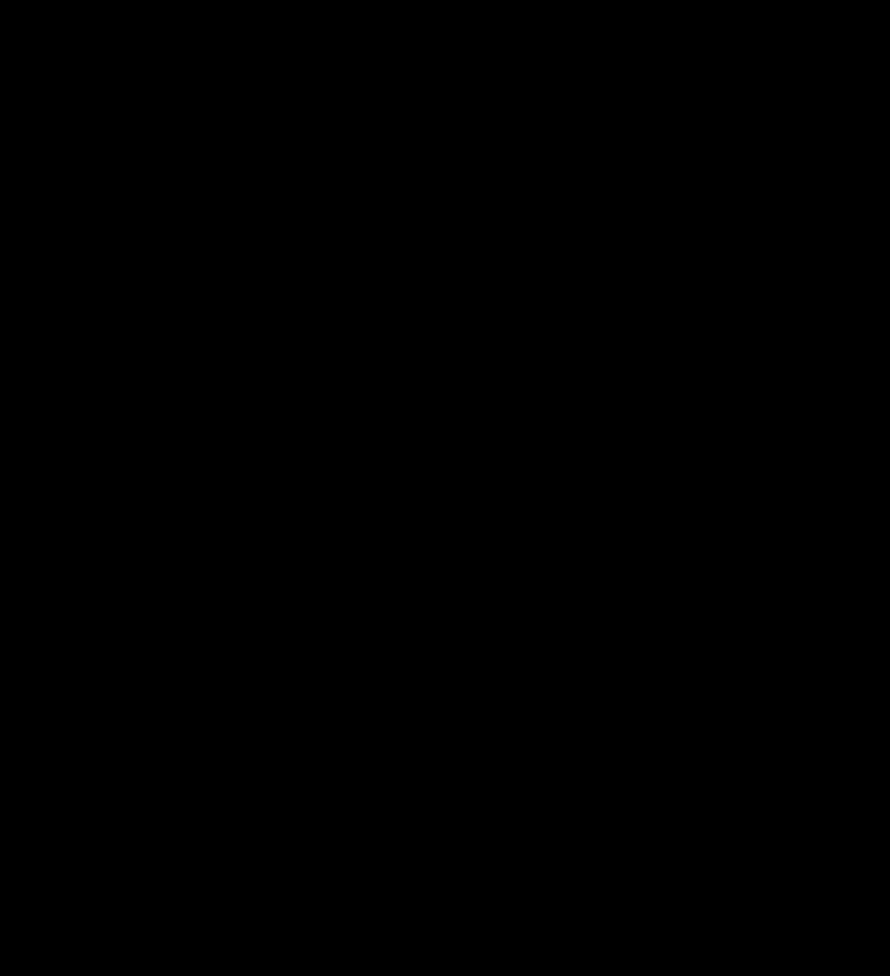

- ✓ **Pay for what you use, not for what you order:** Our state-of-the-art volumetric mixers pour fresh concrete on-site, eliminating waste. Environmental responsibility and cost-effective solutions make us a top choice for concrete services.
- ✓ **Quality Assurance:** We adhere to the highest industry standards to deliver concrete products that stand the test of time. Speedy Concrete is a trusted concrete contractor in Surrey, BC.
- ✓ **Customer Satisfaction:** Our clients are at the heart of everything we do. We strive to understand their unique needs and exceed their expectations.
- ✓ **Speed and Efficiency:** True to our name, we are committed to providing speedy and efficient concrete solutions without compromising on quality.
- ✓ **Environmental Responsibility:** We embrace eco-friendly practices, ensuring our operations have minimal impact on the environment.

## SERVICES

### Our Services

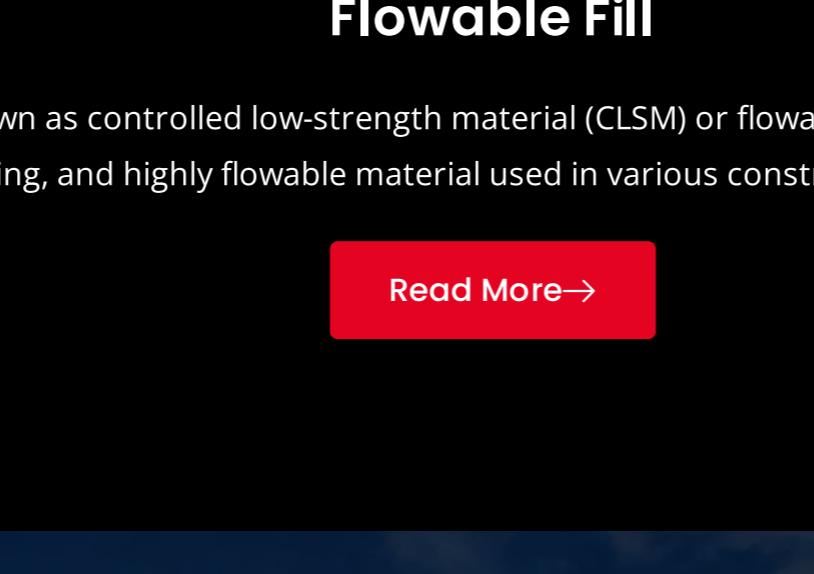

We deliver quality services in BC.

#### Standard Mix

Our state-of-the-art volumetric mixers produce ready-mix concrete fresh on-site based on your project's specifications. We are a trusted ready-mix concrete supplier in Vancouver, Surrey, and Richmond, BC.

[Read More →](#)

#### Rapid-Setting Concrete

Rapid-setting concrete is a type of concrete that hardens and gains strength quickly compared to traditional concrete mixes. Get reliable concrete solutions from experienced concrete suppliers in Vancouver.

[Read More →](#)

#### Flowable Fill

Flowable fill, also known as controlled low-strength material (CLSM) or flowable mortar, is a self-leveling, self-compacting, and highly flowable material used in various construction applications.
