

Nulife Triple Safety Sterile Foley Balloon Catheter (Two-way)

From NULIFE

MRK Healthcare Pvt. Ltd.

- MRK Healthcare is a leading medical disposable solutions company
- Over 25 years in business
- Exports to over 80 countries across the globe
- End-to-end Manufacturing Facility – design, manufacture, sell
- Work force of over 2000 trained professionals
- Capacity of over 300 million medical products per year
- Product certified by various global agencies including including CE under EU MDR 2017/745, GMP (South Korea), ISO 13485:2016 and US FDA 510K

Triple Safety Sterile Foley Balloon Catheter (Two-way)

Nulife 2-Way Foley Balloon Catheter supports smooth urinary drainage with a soft balloon design, helping improve patient comfort and ensuring reliable clinical performance.

Made from medical-grade material, the catheter allows easy insertion and secure retention, making it suitable for hospitals, clinics, and routine urology care use.

Special Features:

- Blockage-free balloon
- Trauma-free de-catheterisation
- Maximum fluid flow

Triple Safety Sterile Foley Balloon Catheter (Two-way)
